In 2013 the Gratiot Avenue Business Association was formed and worked closely with the Macomb First Business Alliance. In 2015, they combined and became the Gratiot Avenue Chamber of Commerce (GACC), serving all 9 communities along the corridor: Eastpointe, Roseville, Clinton Township, Mount Clemens, Chesterfield, Lennox, Richmond, the Village of New Haven and Macomb Township. These communities total more than 350,000 residents.

With a record of success along the Gratiot corridor, we were asked to assist in the formation of other chambers.

In early 2017, the Southeast Michigan Chamber of Commerce was formed with its affiliated chambers, the Warren Center Line Chamber of Commerce (WCLCC), and the Gratiot Avenue Chamber of Commerce.

A place for entrepreneur's to find their purpose. Neway Creative was launched during the global Coronavirus pandemic by local Macomb County entrepreneur and community leader, Shane Gianino, in June of 2020. During the middle of COVID-19, Shane had a vision to launch something much bigger than just coworking office space. He wanted to develop a platform that helps people find their community and step into their purpose to pursue their God-given talents to create and innovate. One thing the global pandemic taught us was to question our purpose.

# IN THE COMMUNITY

*A Local Presence.*  
**A GREATER CAUSE**

We provide fantastic and exclusive opportunities for our members to get involved in local communities. This gives your business the local presence it needs, while getting a chance to give back to local charities and causes. Our members receive recognition for being part of a group that has raised nearly \$600,000 for charitable causes in our community since 2019.

We are the founders of the Warren Community Foundation and the North Gratiot Cruise Foundation, both of which are non-profits that aim to provide large family friendly community events, that donate all proceeds back to local charities and causes. Each non-profit organizes and hosts a classic car show/cruise and 5k run, giving generous prizes for winners in each event. The flagship events are referred to as the North Gratiot Cruise and 5k (<https://www.cruisegratiot.com/>), and the Cruisin' 53 and 5k (<https://www.cruisin53.com/>). Between both events, nearly 50,000 residents from the community attend every year. These large community events bring a great deal of visibility to our members.

# GIVING BACK

## Philanthropy IS WHO WE ARE

The Southeast Michigan Chamber of Commerce believes in giving back and that true leaders know the importance being involved in the community. We are honored to say we've led the way fighting the homelessness challenge in the region, primarily through the Chamber's leadership role with MCREST (Macomb County Rotating Emergency Shelter Team) and the Macomb County Warming Center.

Since 2022 the Chamber played an integral role in providing safe harbor to as many as 300 individuals in a given night. The Chamber also played a critical leadership role in the development of the new MCREST Women and Children's shelter in Mount Clemens. The Women and Children's Shelter opened its doors to full capacity on Palm Sunday in the spring of 2022, with 50 Women and Children being housed the first night.

Additionally, the Chamber, along with MCREST, played a significant role in the reestablishment of the MACOMB COUNTY WARMING CENTER. We worked with community partners and the Macomb County government to both find and establish a permanent location and secure funding to operate.

Lastly, the Chamber helped pave the way for MCREST with the acquisition of a building that will ultimately become the MCREST MEN'S SHELTER. The shelter will include a dog kennel to help shelter the homeless who have dogs that they would otherwise have to give up in order to seek help and warm shelter. This will be a one-of-a-kind shelter, that will provide a service like no other. We have begun fundraising for the build out of that facility and are currently accepting donations.

Along with our leadership team, we have lead the charge in charitable giving- totally nearly \$600,000 since 2019! Some past recipients include:

- Ascension Hope Foundation
- Benny Freeman Inclusive Playground
- Center Line K9 Foundation
- Chesterfield Boy Scouts
- Chesterfield Fire Department
- Chesterfield Library Building Fund
- Chesterfield Police Benevolent + K9
- Chesterfield Senior Citizen Program
- Chesterfield Veterans Memorial
- Eastpointe ACFVO Memorial Day Harvest Time

- New Baltimore Senior Program
- Polish Day Parade
- Roseville Optimists Club
